

Most Important Points Of 02nd December in History

- **1824 - The British called in troops from Madras and Mumbai and again surrounded the fort of Kittur.**

In 1824, the British called in troops from Madras and Mumbai and again surrounded the fort of Kittur.

In 1824, the British army surrounded the fort under the leadership of Thackeray. The queen, dressed in a brave attire, gave a befitting reply to the opponents along with her army. Thackeray was killed there and his army fled. Many British soldiers and officers were caught, whom the queen later released; but the traitor Diwan Mallappa Shetty and Venkatrao were hanged.

- **1828 – Andrew Jackson is elected the seventh President of the United States.**

The election of 1828 was one of the most important elections in United States history, ushering in a new era in American history, paving the way for political campaigns and the solidification of political parties. The previous election in 1824 had seen John Quincy Adams elected president, although his opponent, Andrew Jackson, had won the most electoral votes.

- **1829 - Viceroy Lord William Bentinck banned the practice of Sati in India.**

Sati practice ended in India on December 1829. Then Viceroy Lord William Bentinck called Raja Ram Mohan Roy and consulted him to stop this evil practice. By making a law in this regard, Sati practice was banned forever. Within three days, the order of this law was sent to the magistrates.

Most Important Points Of 02nd December in History

➤ **1994 - First independent local election poll in Taiwan.**

Provincial and municipal elections were held in Taiwan on December 1994, to elect the governor of Taiwan Province and the mayors of two special municipalities (Taipei and Kaohsiung). This is the first election for all three positions, and the only election for the governorship of the later streamlined Taiwan Province. The Kuomintang (KMT) wins in Taiwan Province and Kaohsiung, while the opposition Democratic Progressive Party (DPP) takes the capital city.

➤ **1884 – Birth of Dr Rajendra Prasad, the first President of the country.**

Dr Rajendra Prasad, son of Mahadev Sahai, was born on December, 1884 in Jiradei, Siwan, Bihar.

He was a brilliant student; he was given a scholarship of Rs 30 per month when he came first in the entrance examination of Calcutta University. He joined the famous Calcutta Presidency College in 1902. Ironically, his scholarship was the first test of his patriotism. Gopal Krishna Gokhale had started the Servants of India Society in 1905 and asked him to join it.

➤ Vladimir Putin's India Visit for 23rd India-Russia Annual Summit In December

In a major diplomatic development, Russian President Vladimir Putin will visit India on 4–5 December 2025 for the 23rd India–Russia Annual Summit, marking a crucial moment in the long-standing and strategic partnership between the two countries. This visit, coming at the invitation of Prime Minister Narendra Modi, is expected to reaffirm and elevate bilateral cooperation across key sectors like defence, trade, energy, and global diplomacy. This will be Putin's first visit to India since 2021, and notably, the first since the onset of the Russia–Ukraine conflict in 2022.

Key Points:-

- Reviewing ongoing bilateral projects and agreements
- Setting a strategic roadmap for future cooperation
- Enhancing dialogue on regional and global issues of mutual concern
- Strengthening cooperation in defence, energy, trade, and technology

Appointments

➤ Temasek Appoints Former DBS CEO Piyush Gupta as India Chairman

In a strategic move to deepen its presence in India, Temasek Holdings, Singapore's sovereign wealth fund, has appointed Piyush Gupta, former CEO of DBS Bank, as its non-executive Chairman for India. The appointment, effective December, 2025, marks a significant leadership addition as Temasek sharpens its India-focused investment strategy and strengthens ties with Indian stakeholders in government and industry.
