Historical and Technical Events of 20th march 2026

1413: Henry V is crowned King of England.

In 1413, following the death of Henry IV on March 20, Henry V became King of England, and was crowned at Westminster Abbey

on April 9. Henry V, known for his military prowess, focused on unifying the kingdom and establishing his authority. He introduced the formal use of English in government proceedings and sought to bridge differences that had cast doubt on his father's claim to the throne.

1791: British forces capture Bangalore from Tipu Sultan.

In 1791, British forces capture Bangalore from Tipu Sultan, which was then part of the Mysore Kingdom. Tipu Sultan was the

ruler of the Mysore Kingdom, a powerful kingdom in South India in the late 18th century. There were several wars between the British East India Company and the Mysore Kingdom, known as the Anglo-Mysore Wars.

1836: First public library started in Kolkata, now called the National Library.

In 1836, the Calcutta Public Library was established in Kolkata, which later became the National Library of India. The

library was established for reference and lending purposes, on the principle of self-financing, open to all irrespective of class, colour or nationality. In 1903, Lord Curzon merged the Calcutta Public Library with the Imperial Library. After India's independence, the Imperial Library was renamed the National Library in 1948.

1954: First Filmfare Awards ceremony held.

In 1954, the first Filmfare Awards ceremony was held on March at the Metro Theatre in Mumbai (then Bombay),

honouring the best artists of Hindi cinema in 1953. The first awards ceremony had only five categories—Best Film, Best Director, Best Actor, Best Actress and Best Music Director. The winners were the only nominees in their categories. Starting from 1959, a number of nominees were gradually added. By 2024, there were around 30 awards in four broad categories—Popular, Critics, Special and Technical.
