FCI Signs Landmark MoU with WFP to Supply 2 Lakh MT Rice Annually

The Memorandum of Understanding (MoU) signed between the **Food Corporation of India (FCI)** and the **World Food Programme (WFP)** marks a strategic shift in how India contributes to global stability.

1. The Core Objective

The primary goal is to combat global hunger and malnutrition. By partnering with the WFP (the food-assistance branch of the United Nations), India ensures that its surplus grain reaches conflict zones and areas hit by natural disasters.

2. Supply Logistics

- **Quantity:** 200,000 metric tonnes of rice will be supplied every year.

- **Quality:** The rice will contain up to **25% broken grains**, which is a standard grade suitable for large-scale humanitarian cooking and distribution.

- **Duration:** The contract is set for **five years**, providing a long-term, predictable supply chain for the WFP.

3. Financials & Pricing

The price has been fixed at **₹2,800 per quintal** (100 kg) until March 31, 2026. This fixed pricing helps the WFP budget effectively for its global operations without worrying about immediate market volatility.

Consistency: Unlike the previous emergency-only shipments, this agreement guarantees a steady flow of nutrition regardless of global market spikes.

Strategic Pricing: Fixing the price at ₹2,800/quintal protects the WFP's budget from inflation, allowing them to feed more people with the same funds.

Global Standing: This positions India as a proactive leader in the Global South, moving beyond domestic self-sufficiency to global responsibility.

Upstart Sarvam Unveils AI Model Customized for India Market

The Sarvam AI Revolution: Sarvam AI, founded in 2023 by **Pratyush Kumar** and **Vivek Raghavan**, has become the poster child for "Indocentric" artificial intelligence. Here is why their presence at the 2026 Summit was so significant:

1. Sovereign AI & Linguistic Diversity

Most global AI models are trained primarily on English data. Sarvam AI focuses on **Sovereign AI**, meaning the data, the models, and the hosting remain rooted in India. They have built:

- **Multilingual LLMs:** Large Language Models that work seamlessly across Hindi, Tamil, Kannada, and other regional languages.

- **Speech & OCR:** Tools that can "hear" and "read" Indian accents and handwritten scripts which Western models often struggle with.

2. The "Sarvam Kaze" Spectacles

The viral moment of Prime Minister Modi wearing the **Sarvam Kaze** spectacles showcased their hardware integration. These are likely AI-powered smart glasses designed to provide real-time translation, information overlay, or accessibility features, proving that Sarvam isn't just about software—it's about the "AI-First" lifestyle.

3. Governance & Scalability

By tailoring AI for real-world governance, Sarvam's tools help the Indian government interact with citizens in their native tongues, making digital services more inclusive for the millions who don't speak English.

Most world Record Achievers in Mathematics

Comparison of Global AI vs. Sarvam AI (Sovereign AI)

Feature (ಅಂಶಗಳು)	Global AI (e.g. OpenAI)	Sarvam AI (Sovereign AI)
Primary Language	English-centric	Multilingual (Indian languages)
Data Source	Global Internet data	Indian datasets & Governance needs
Hardware	General Purpose (Phones/PC)	Specialized (e.g. Sarvam Kaze glasses)
Privacy	Cloud-based (International)	Localized/Sovereign

INTERNATIONAL NEWS

## India Joins Trump's Gaza Peace Board as Observer Amid Global Diplomacy Push

1. India's Role and Representation

India was represented by **Namgya C. Khampa**, the Deputy Chief of Mission (and Chargé d'Affaires) at the Indian Embassy in Washington. By attending as an observer rather than a formal member, India maintained a "strategic distance." This allows New Delhi to engage with major diplomatic shifts while avoiding a full endorsement of a body that some critics view as a rival to the United Nations.

2. Gaza Reconstruction

The meeting focused on rebuilding the Gaza Strip, with reconstruction costs estimated at **$70 billion**.

- **Funding:** President Trump pledged **$10 billion** from the U.S., while other member nations (including Saudi Arabia, UAE, and Qatar) committed an additional **$7 billion**.

- **Infrastructure:** The goal is to rebuild housing, hospitals, and schools once Hamas is fully disarmed.

3. International Stabilization Force (ISF)

A core pillar of the plan is the mobilization of an **International Stabilization Force**.

- **Troop Pledges:** Countries like **Indonesia** (pledging up to 8,000 troops), Morocco, and Kazakhstan have committed personnel.

- **Security:** This force is intended to maintain order, train a new Palestinian police force (approx. 12,000 officers), and oversee the transition to a technocratic government called the **National Committee for the Administration of Gaza (NCAG)**.

4. Structured Peace Framework

The Board operates under a hierarchical structure with President Trump as the "Chairman for Life." The framework prioritizes:

- **Hamas Disarmament:** Reconstruction is conditioned on the complete disarmament of militant groups.

- **Economic Stability:** Using private investment and global funds to turn Gaza into a stable, demilitarized territory.

SPORTS

6th National Rafting Championship "The Ultimate River Battle" Kicks Off in Shibnote, Doda

The **6th National Rafting Championship**, branded as **"The Ultimate River Battle,"** is a premier sporting event taking place at **Shibnote in the Doda district** of Jammu and Kashmir. Organized to push the boundaries of adventure sports in India, the event utilizes the challenging rapids of the **Chenab River**.

1. Location and Venue

The championship is held at **Shibnote**, a picturesque location in the Doda district. The Chenab River is known for its high-volume flow and technical rapids, making it one of the most demanding and exciting stretches for white-water rafting in South Asia.

2. Objectives of the Event

- **Showcasing Talent:** The event serves as a national platform for professional rafters and teams from the Indian Army, BSF, and various states to compete and demonstrate their skills.

- **Tourism Promotion:** By hosting a national-level event, Jammu and Kashmir aims to position the **Chenab Valley** as a global destination for adventure tourism, moving beyond traditional sightseeing.

- **Economic Impact:** The influx of participants and spectators provides a boost to local businesses, including hospitality, transport, and handicrafts.

3. Key Features

- **The "Ultimate River Battle":** The title reflects the competitive nature of the races, which usually include categories like **Sprint**, **Slalom**, and **Downriver Endurance**.

- **Collaboration:** The event is typically organized by the Jammu and Kashmir Tourism Department in collaboration with the Adventure Tour Operators Association of Kashmir (ATOAK) and the local district administration.

Knowledge Check for Proficiency

1. Where is the 6th National Rafting Championship, "The Ultimate River Battle," being held?
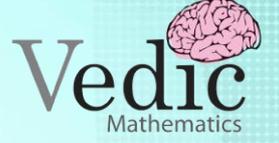

A) Srinagar, J&K

B) Shibnote, Doda, J&K

C) Leh, Ladakh

D) Manali, Himachal Pradesh

Answer: B) Shibnote, Doda, J&K

2. On which river is "The Ultimate River Battle" rafting championship taking place?

A) Jhelum River

B) Indus River

C) Chenab River

D) Ravi River

Answer: C) Chenab River

3. What is the primary objective of organizing the National Rafting Championship in Doda?

A) To build a new dam

B) To promote adventure tourism and showcase rafting talent

C) To conduct a scientific study on river flow

D) To celebrate a local religious festival

Answer: B) To promote adventure tourism and showcase rafting talent

STATE NEWS

Andhra Pradesh signs seven MoUs to boost AI and Quantum ecosystem development

This initiative marks a significant leap for **Andhra Pradesh** as it seeks to become a global hub for emerging technologies. By signing these seven MoUs at the **India AI Impact Summit** in New Delhi, Chief Minister N. Chandrababu Naidu has signaled a "tech-first" approach to governance and economic growth.

1. The Strategic Vision

The primary goal is to build a robust ecosystem for **Artificial Intelligence (AI)** and **Quantum Computing** within the state. These technologies are considered the "fourth industrial revolution" tools that can transform agriculture, healthcare, and governance.

2. Partnership with UNICC

The most prestigious agreement is with the **United Nations International Computing Centre (UNICC)**.

- **Centre of Excellence (CoE):** A world-class facility will be established in **Amaravati**.

- **Purpose:** This center will focus on research, capacity building, and developing AI solutions that align with the UN's Sustainable Development Goals (SDGs).
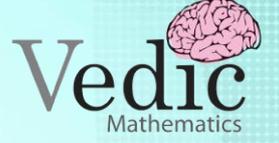

3. Key Objectives of the 7 MoUs

- **Skill Development:** Training the youth of Andhra Pradesh in high-end coding, data science, and quantum algorithms.

- **Infrastructure:** Setting up data centers and high-performance computing units.

- **Governance (AI for G):** Using AI to make government services more efficient, transparent, and accessible to citizens.

- **Startup Support:** Providing a platform for deep-tech startups to innovate and scale within the state.

4. Venue Significance

The signing took place at **Bharat Mandapam**, the same venue that hosted the G20 Summit, highlighting the national and international importance of Andhra Pradesh's digital ambitions.

Knowledge Check for Proficiency

1. How many Memorandums of Understanding (MoUs) did the Andhra Pradesh government sign to develop the AI and Quantum ecosystem?

A) Five

B) Seven

C) Ten

D) Twelve

Answer: B) Seven

2. Where was the "India AI Impact Summit" held, where these agreements were signed?

A) Amaravati, Andhra Pradesh

B) Hyderabad, Telangana

C) Bharat Mandapam, New Delhi

D) Bengaluru, Karnataka

Answer: C) Bharat Mandapam, New Delhi

3. The Andhra Pradesh government partnered with which international organization to establish a Centre of Excellence in Amaravati?

A) World Bank

B) UNESCO

C) United Nations International Computing Centre (UNICC)

D) World Economic Forum (WEF)

Answer: C) United Nations International Computing Centre (UNICC)

NATIONAL NEWS

Union Home Minister to Launch Vibrant Villages Programme-II in Assam's Cachar District

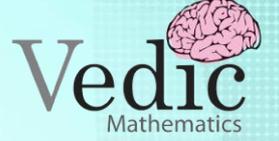

Union Home Minister Amit Shah's launch of the **Vibrant Villages Programme-II (VVP-II)** in the **Cachar district of Assam** marks a critical step in India's border management and rural development strategy. This phase extends the original vision to the Northeastern borders, ensuring that remote frontier villages are not just "last villages" but "first villages" of development.

spardhaguru2022   Sparthaguru Current affairs   Sparthaguru1

SpardhaGuru   Spardha.guru   www.spardha.guru

1. Vision and Objective

The VVP-II is designed to transform border villages into self-sufficient, prosperous hubs. The primary goal is to **prevent migration** from border areas by providing urban-level amenities, which in turn strengthens national security. This aligns with the **Viksit Bharat 2047** vision of making India a developed nation.

2. Financial Allocation

The Union Government has allocated a massive budget of **₹6,800 crore** for the program, spanning the financial years up to **2028-29**. This ensures long-term funding for large-scale infrastructure and social projects.

3. Key Areas of Development

- **Infrastructure:** Construction of all-weather roads, provision of 24/7 electricity (including solar power), and ensuring clean drinking water through the Jal Jeevan Mission.

- **Livelihood:** Promoting local handicrafts, organic farming, and **border tourism** to create jobs for the youth.

- **Connectivity:** Enhancing mobile and internet connectivity (4G/5G) to bridge the digital divide in remote hilly terrains.

- **Security:** By fostering thriving communities, the government creates a natural layer of vigil and support for the security forces guarding the borders.

4. Significance of Cachar, Assam

Launching VVP-II in Cachar highlights the government's focus on the **Indo-Bangladesh**

border and the strategic importance of the Northeast in India's "Act East" policy.

Knowledge Check for Proficiency

1. Who will launch the Vibrant Villages Programme-II in the Cachar district of Assam?
A) Narendra Modi

B) Amit Shah

C) Rajnath Singh

D) Nitin Gadkari

Answer: B) Amit Shah

2. What is the primary focus of the Vibrant Villages Programme-II?

A) Building smart cities in urban areas

B) Improving border villages and creating sustainable livelihoods

C) Developing coastal tourism

D) Increasing digital literacy in metro cities
Answer: B) Improving border villages and creating sustainable livelihoods

3. What is the total budget allocated for the Vibrant Villages Programme-II up to the financial year 2028-29?

A) Over 4,500 crore rupees

B) Over 5,000 crore rupees

C) Over 6,800 crore rupees

D) Over 8,200 crore rupees

**Answer: C) Over 6,800 crore rupees**

STATE NEWS

Tamil Nadu Second Economic Survey

The **Tamil Nadu Economic Survey** is a vital document that provides a comprehensive look at the state's financial health, sectoral growth, and future projections. The recent data highlights Tamil Nadu's position as an economic powerhouse within India, especially in the context of a recovering global economy.

1. The Debut of the Economic Survey

Last year marked a milestone as Tamil Nadu published its **first-ever Economic Survey**. Traditionally, only the Union Government and a few states like Maharashtra or Karnataka published such detailed annual reports. This move brings greater **transparency** and allows for data-driven policymaking tailored to the state's specific needs.

2. Global and National Context (2025-26)

The survey places Tamil Nadu's growth against broader benchmarks:

- **Global Economy:** Grew at a modest **3.3%** in 2025, facing headwinds like inflation and supply chain shifts.

- **India's Performance:** Showed a strong recovery. After recording **6.49%** in FY 2024-

25, the national GDP growth accelerated to **7.4%** in FY 2025-26. This upward trend suggests robust domestic demand and infrastructure spending.

3. Tamil Nadu's Export Strength: Textiles

The textile sector remains the backbone of Tamil Nadu's economy.

- **Major Share:** Tamil Nadu accounts for nearly **1/3rd of India's textile business**.

- **Clusters:** Cities like **Tiruppur** (knitted garments), **Coimbatore** (spinning mills/textile machinery), and **Erode/Karur** (home textiles) are global hubs.

- **Diversification:** While textiles lead, the state is also pivoting toward "Technical Textiles" used in healthcare and automotive sectors to maintain its export lead.

Knowledge Check for Proficiency

1. When was the Tamil Nadu Economic Survey published for the first time in the state?

A) 2022

B) 2023

C) 2024

D) Last year (2025)

Answer: D) Last year (2025)

2. What was the growth rate of India's economy in the financial year 2025-26?

D) 8.1%

Answer: C) 7.4%

3. Which sector accounts for a majorshare of Tamil Nadu's total exports?

A) Automobile exports

B) Textile exports

C) Software exports

D) Agricultural exports

Answer: B) Textile exports

Economic Comparison at a Glance

Region / Year	2024-25 Growth	2025-26 Growth
Global Economy	-	3.3%
India's Economy	6.49%	7.4%

📰 Detailed Analysis of Recent Current Affairs: Multiple Choice Format

Q.1. India's unemployment rate rose to 5% in January 2026, according to which survey?

A. NSSO Survey

B. Periodic Labour Force Survey (PLFS)

C. Census Survey

D. Economic Survey

1. B

According to the Periodic Labour Force Survey (PLFS) released by the National Statistical Office (NSO) under the Ministry of Statistics and Programme Implementation (MoSPI), India's unemployment rate rose to 5% in January 2026. This rose from 4.8% in December 2025, a slight increase mainly due to seasonal slowdown in rural areas.

Q.2. Which Union Minister will launch the SAHI and BODH initiatives at the India AI Summit 2026?

A. Ashwini Vaishnav

B. J.P. Nadda
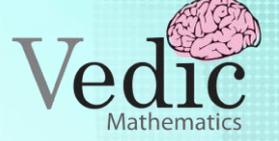

C. Rajnath Singh

D. Dharmendra Pradhan

2. B

Union Minister of Health and Family Welfare, Shri Jagat Prakash Nadda, launched two important national initiatives – the Safe AI for Health Initiative for India (SAHI) and the Benchmarking Open Data Platform for Health AI

(BODH) – at the India AI Impact Summit 2026. These initiatives mark a significant milestone in promoting the safe, ethical, and evidence-based use of Artificial Intelligence (AI) in India's healthcare system.

Q.3. Which state recently became the first to declare tidal flooding a state-specific disaster?

A. Kerala

B. Bihar

C. Uttarakhand

D. Himachal Pradesh

3. A

Kerala has become the first state in India to declare tidal flooding a state-specific disaster. The state government took this step after rising sea levels and high tides caused devastation in coastal areas (like Kochi), and affected people will now be able to receive financial assistance from the State Disaster Response Fund (SDRF).

Q.4. In which state did Prime Minister Narendra Modi recently launch projects worth over ₹5,450 crore?

A. Arunachal Pradesh

B. Manipur

C. Assam

D. Tripura

4. C

Prime Minister Narendra Modi inaugurated and laid the foundation stone for various infrastructure and development projects worth over ₹5,450 crore in Assam. The Kumar Bhaskar Varma Bridge over the Brahmaputra, e-buses,

and other important projects were dedicated to the nation during events in Guwahati and Dibrugarh.

Q.5. What is the total amount recently approved for the Startup India Fund of Funds 2.0?

A. ₹5,000 crore

B. ₹7,500 crore

C. ₹10,000 crore

D. ₹15,000 crore

5. C

The Union Cabinet, chaired by Prime Minister Narendra Modi, has approved the Startup India Fund of Funds 2.0 (FoF 2.0) with a corpus of ₹10,000 crore. The scheme aims to boost venture capital in India's startup ecosystem, particularly in deep tech, innovative manufacturing, and early-growth sectors. This move is considered a significant initiative to strengthen India's domestic investment landscape and accelerate innovation-driven economic growth.

Q.6. Where was the first indigenous cadet training ship for the Indian Navy, 'Krishna', recently launched?
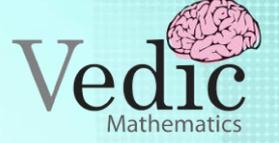

A. Patna

B. Kandla

C. Kolkata

D. Chennai

6. D

The Indian Navy's first indigenously built Cadet Training Ship (CTS), 'Krishna' (Yard 18003), was launched at the Larsen & Toubro (L&T)

shipyard in Kattupalli, Chennai. The ship is intended to provide sea training to naval officers, including women cadets. This indigenous ship is part of the Atmanirbhar Bharat initiative.

Q.7. What is the total amount recently approved for the Urban Challenge Fund (UCF)?

A. ₹25,000 crore

B. ₹50,000 crore

C. ₹75,000 crore

D. ₹1 lakh crore

7. D

The Union Cabinet approved the Urban Challenge Fund (UCF) with a total investment of ₹1 lakh crore (₹1,00,000 crore). This is a centrally sponsored scheme of the Ministry of Housing and Urban Affairs. The fund will operate from 2025-26 to 2030-31, with the aim of attracting ₹4 lakh crore in urban areas over the next five years.

Q.8. Smriti Mandhana, a sportswoman from which country, recently received the BBC Indian Sportswoman of the Year 2025?

A. Australia

B. India

C. England

D. New Zealand

8. B

India's star batsman Smriti Mandhana was named the BBC Indian Sports Woman of the Year 2025. Mandhana played a key role in India's historic victory at the 2025 Women's

World Cup. The award was presented at a grand ceremony in New Delhi. At the event, Indian chess star Divya Deshmukh was given the Emerging Player of the Year award for her historic FIDE Women's World Cup win at just 20 years old.

Q.9. Who will become the first player to reach 10,000 runs in the Ranji Trophy in 2026?

A. Cheteshwar Pujara

B. Ajinkya Rahane

C. Paresh Dogra

D. Shubman Gill

9. C

Jammu and Kashmir's 41-year-old captain and veteran batsman Paras Dogra became the second player in Ranji Trophy history to reach 10,000 runs. He achieved the feat in the semi-final against Bengal. Dogra was preceded only by former Indian batsman Wasim Jaffer (12,038 runs).

Q.10. Recently, the RBI has proposed mandatory reporting of OTC derivatives by which category of banks?

A. Regional Rural Banks

B. Co-operative Banks

C. AD Category-I Banks

D. Small Finance Banks

10. C

The Reserve Bank of India (RBI) has proposed requiring Authorized Dealer Category-I (AD Category-I) banks to report rupee-linked OTC foreign exchange derivatives traded through

their offshore related parties. This move is aimed at increasing transparency in the foreign exchange market and reducing information gaps caused by offshore derivatives.

Q.11. Recently, NSE received SEBI approval to launch futures in which commodity?

A. Crude Oil

B. Natural Gas

C. Coal

D. Gold

11. B

The National Stock Exchange (NSE) has received SEBI approval to launch monthly electricity futures and natural gas futures contracts. This move aims to reduce risk in the power sector, stabilize prices, and attract more investment.

Q.12. What was the Wholesale Price Index (WPI) inflation rate in January 2026?

A. 0.83%

B. 1.21%

C. 1.81%

D. 2.45%

12. C

India's Wholesale Price Index (WPI) inflation rose to 1.81% (provisional) in January 2026. This is higher than 0.83% in December 2025 and marks the third consecutive month of rising wholesale inflation. This increase was primarily due to higher prices of food items, manufactured products, and non-food items.

Q.13. Which organization recently discovered the new species 'Lepidocampa sikkimensis'?

A. CSIR

B. DRDO

C. ZSI

D. ICMR

13. C

India has achieved a major breakthrough in the field of entomology. Scientists from the Zoological Survey of India have discovered a new species of Diplura, named "Lepidocampa sikkimensis," in the eastern Himalayan region. This discovery reshapes the limited research on Diplura in India after nearly five decades and is the first formal description of a species of this genus by an Indian research team.

Q.14. India's first government-supported National Biobank for Lysosomal Storage Disorders (LSDs) was recently launched in which state?

A. Gujarat

B. Maharashtra

C. Haryana

D. Rajasthan

14. A

India's first government-supported National Biobank for Lysosomal Storage Disorders (LSDs) was launched in February 2026 at the Foundation for Research in Genetics and Endocrinology (FRIGE) in Ahmedabad, Gujarat. Funded by the Department of Biotechnology (DBT), the facility stores biological samples and data from 530 patients across 15 states to

advance research, develop affordable diagnostic tools, and improve treatment for rare metabolic disorders.

Q.15. Which state/UT recently became the 29th state in India to implement the ULPIN (geo-based) system?

A. Manipur

B. Telangana

C. Andaman and Nicobar

D. Delhi

15. D

Delhi has become the 29th state/union territory to implement the Unique Land Parcel Identification Number (ULPIN), also known as Bhu-Aadhaar. Its purpose is to ensure clear records of land ownership and reduce land disputes.

FACTS ABOUT BHARAT

Those are fascinating historical insights into the "Land of the Red River and Blue Hills." The transition from the ancient names like **Pragjyotisha** (meaning "Eastern City of Astrology") to the 600-year-long Ahom reign is one of the most resilient chapters in Indian history.

To add a bit of "flavor" to your facts about Assam, here are a few more nuggets of history and culture that define Bharat:

The Unconquered Legacy

The Ahom Kingdom is legendary for being one of the few powers that successfully resisted the Mughal Empire multiple times.

- **The Battle of Saraighat (1671):** Led by the iconic General **Lachit Borphukan**, the Ahom army defeated the Mughals despite being vastly outnumbered. They used the Brahmaputra's geography and brilliant naval tactics to secure their sovereignty.

Architectural Marvels

The Ahoms didn't just fight; they built structures that still stand today, reflecting their unique style:

- **Rang Ghar:** Often referred to as the "Colosseum of the East," it is one of the oldest surviving amphitheaters in Asia, used by Ahom kings to watch buffalo fights and cultural festivals.

- **Charaideo Maidams:** These are the burial mounds of the Ahom royalty, often compared to the Pyramids of Egypt, and

were recently recognized as a **UNESCO World Heritage Site**.

Literary Roots

You mentioned the Sanskrit names; it's worth noting that the **Kalika Purana** and **Yogini Tantra** are key texts that provide deep geographical and spiritual descriptions of ancient Kamrupa, centering around the Kamakhya Temple.

Knowledge Check for Proficiency

1. Which dynasty is credited with giving the name 'Aham' or 'Asom' to the region in 1228 A.D.?

A) Maurya Dynasty

B) Ahom Dynasty

C) Gupta Dynasty

D) Pala Dynasty

2. Who was the founder of the Ahom dynasty in Assam?

A) Lachit Borphukan

B) Rudra Singha

C) Sukaphaa

D) Bhaskar Varman

3. Sukaphaa, the founder of the Ahom kingdom, was a prince from which region?

A) Mong Mao (Shan State)

B) Tibet

C) Magadha

D) Champa

4. Which mountain range did the Ahoms cross to enter the Brahmaputra Valley?

A) Himalayas

B) Patkai Mountains

C) Vindhya Range

D) Aravali Hills

5. In ancient Sanskrit literature, which two names were used to designate ancient Assam?

A) Kalinga and Anga

B) Pragjyotisha and Kamrupa
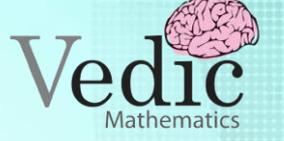

C) Magadha and Mithila

D) Avanti and Gandhara

6. The antiquity of ancient Assam is established by its mention in which significant texts?

A) The Vedas and Upanishads

B) The Mahabharata, Ramayana, and Puranas

C) The Tripitaka and Jataka tales

D) The Arthashastra and Indika

Answer Key

Question	Answer
1	B) Ahom Dynasty
2	C) Sukaphaa
3	A) Mong Mao (Shan State)
4	B) Patkai Mountains
5	B) Pragjyotisha and Kamrupa
6	B) The Mahabharata, Ramayana, and Puranas
